27TH edition

27th ANT NEUROMEETING 2018

17-20 January 2018 | Beaune, Burgundy France

About the ANT Neuromeeting

For more than 25 years the ANT Neuromeeting in Beaune, Burgundy, France serves as a multi-disciplinary platform for engaging discussions, knowledge-sharing and cross-pollination of insights among many renowned experts in the fields of brain research and diagnostics.

ANT Neuro is happy to organize and facilitate this meeting on an annual basis and is eager to contribute to a lively scientific discussion by developing novel solutions that advance research and facilitate breakthroughs, which we can all benefit from.

In this respect, the ANT Neuromeeting is a fertile ground of inspiration for us. Experts from all over the world will join us in Beaune surrounded by the beautiful Burgundy countryside and French culinary delights, to exchange ideas and contribute to a shared goal of decoding the fascinating activities of the human brain.

Program

During the 3½-day meeting, participants will be able to attend symposia, workshops and demonstrations of our product portfolio, covering a broad spectrum of the most timely and significant advances in brain research and diagnostics.

Program Language

The scientific program will be in **English** in order to enable all participants to follow the sessions, gain new knowledge and be able to participate in discussions.

Symposia

The ANT Neuromeeting 2018 consists of five scientific symposia that are scheduled on Thursday 18, Friday 19 and Saturday 20 January 2018.

(Applied) Neurotechnology

Topics: neurofeedback, BCI, sports & movement;

Thursday 18 January 2018

Neurocare (*neurology, diagnostics, monitoring*)

Topics: neonatal EEG, epilepsy (adult/neonatal), EEG/EP diagnostics;

Thursday 18 January 2018

Neuromodulation

Topics: neuromodulation, neurorepair, TMS presurgical mapping, TMS depression, electrical;

Friday 19 January 2018

Neuroscience

Topics: e.g. memory, attention, cognition, brain connectivity, etc.

Friday 19 January 2018

Free Communication

Topics: e.g. neuromarketing, neurogaming, multimodality;

Saturday 20 January 2018

Scientific Committee

Each symposium will start with a renowned international keynote speaker and is chaired by a leading researcher from the respective research field. The following keynote speakers and session leaders (chairs) have confirmed their presence, as stated below:

Neurotechnology Symposium

Chair: *Prof. Dr. Alireza Gharabaghi* (University Hospital Tübingen; Germany)
Keynote: *Dr. Femke Nijboer* (University of Leiden; The Netherlands)

Neurocare Symposium

Chair: *Dr. Michael Funke* (Memorial Hermann Hospital; Houston, USA)
Keynote: **To Be Announced**

Free Communication Symposium

Chair: *Dr. Reinhold Scherer* (University of Technology; Graz, Austria)

Neuromodulation Symposium

Chair: *Prof. Dr. Andrew Leuchter* (UCLA; Los Angeles, USA)
Keynote: *Prof. Dr. Keyoumars Ashkan* (King's College Hospital; London, UK)

Neuroscience Symposium

Chair: *Dr. John Foxe* (University of Rochester Medical Center; Rochester, USA)
Keynote: *Prof. Dr. Roelien Bastiaanse* (University of Groningen; The Netherlands)

Speakers

Great speakers make our ANT Neuromeeeting a success! We are looking forward to your valuable contribution and reward you with a 60% discount on the regular registration fee, if selected by the Scientific Committee as a speaker during one of the five symposia.

Don't miss out on this fantastic discount: **send us your abstract before October 15, 2017**. See section 'Registration Fee ANT Neuromeeeting 2018' for more info about what's included.

Important Dates

- | | |
|---|--------------------|
| - Abstract submission deadline: | October 15, 2017 |
| - Early bird registration deadline: | November 1, 2017 |
| - Notification of acceptance to speakers: | Mid-November, 2017 |
| - Final program announcement: | End-November, 2017 |
| - Regular registration closing day: | January 10, 2018 |

Registration

Registration to the ANT Neuromeeeting is required. To register please go to: www.ant-neuro.com/content/registration-form and fill out the form.

Early birds

Register for the ANT Neuromeeeting 2018 before November 1, 2017, save approximately 10% on your entrance fee and benefit from a special 15% discount on hotel bookings at the meeting venue.

See section 'Meeting Venue' for more information about booking a hotel room.

Registration Fee ANT Neurometing 2018

- Selected speaker: € 169
- Early bird participant: € 400 (early registration before November 1, 2017)
- Regular participant: € 450 (late registration after November 1, 2017)
- Relationship / spouse: € 250
- Student: € 250 (attending ANT Neurometing 2018)
- 1.5-Day Ticket: € 250 (attending only Wednesday/Thursday or Friday/Saturday)

Included in the Registration Fee of the ANT Neurometing 2018

- access to one of two satellite event(s);
- access to the full scientific program and keynote lectures;
- access to workshops and product demos organized throughout the meeting;
- tea & coffee breaks;
- dinner on Wednesday and Thursday;
- gala dinner on Friday;
- lunch from Thursday to Saturday;
- various wine-tasting events;
- ANT Neurometing materials;
- bus transport to gala dinner location;
- special rates for accommodation.

Satellite Events

This year, depending on each attendant's personal scientific field of interest (for either EEG or TMS), ANT Neurometing 2018 visitors have the possibility to attend one of two satellite events ((1) 'Prepared for the Future: Dry EEG Electrodes' & (2) 'Functional Pre-Surgical Mapping').

Both events are parallelly scheduled on Wednesday (afternoon) 17 January 2018 from 14:00-17:00 pm, but will take place in separate, different (meeting) rooms at the meeting venue.

Program Overview				
	Morning	Afternoon		Evening
WED 17-01	Arrival attendants ANT Neurometing 2018	Satellite event [1] <i>'Prepared for the Future: Dry EEG Electrodes'</i>	Satellite event [2] <i>'Functional Pre-Surgical Mapping: In-Depth Understanding'</i>	Welcome Dinner
THU 18-01	Neurotechnology Symposium	Neurocare Symposium		Social Event
FRI 19-01	Neuromodulation Symposium	Neuroscience Symposium		Gala
SAT 20-01	Free Communication Symposium			

Junior Research Days

For the first time this year we organize prior to the ANT Neurometing 2018, 'The Junior Research Days' in Beaune, France.

Aim is to bring junior researchers together and to connect with senior researchers and learn from their interesting talks in the multidisciplinary field of brain research and diagnostics.

The program includes two thematic sessions that will be parallelly hosted and provide an introduction to the fundamentals of both EEG-ERP and neuronavigation-TMS, followed up by a theoretically deepening lecture program, each given by an invited expert party, to be concluded with hands-on training possibilities.

Registration Fee Junior Research Days

Junior Researcher: € 189 (attending only Junior Research Days)
Full-Timer: € 350 (attending Junior Research Days + ANT Neurometing 2018)

Included in the Registration Fee of the Junior Research Days 2018

- access to full scientific program of one of two Junior Research Days Tracks (EEG/TMS).
- access live product demos throughout the meeting;
- access to one of two satellite event(s);
- Junior Research Days training materials;
- Junior Research Days welcome dinner on Tuesday;
- lunch on Wednesday;
- tea & coffee breaks;

Payment Options

Payment must be received within two weeks of registration confirmation. All payments must be made as per the Terms & Conditions. For more information, please see below.

Credit Card: Online via the registration form (www.ant-neuro.com/content/registration-form-0) that has to be filled out or call us on +31 (0)53 436 51 75. When paying with a credit card a surcharge of 7% of the total amount will apply.

Bank Transfer: Please use "ANT Neurometing 2018" and your full name as the payer's reference to the following account details.

- account name: ANT Neuro b.v. (Rabobank Enschede)
- IBAN: NL RABO 0129 6352 00
- SWIFT / BIC: RABONL2U

Terms & Conditions

General

- each participant is required to register individually; group registrations are not accepted.
- when paying with credit card, a surcharge of 7% of the total amount will apply.
- your reservation is valid only after a written confirmation of ANT Neuro.
- registration closing day: January 10, 2018
- participant badges will be distributed at and must be worn at all times to gain access.
- only registered persons have access to the symposia, workshops and satellite events.
- ANT Neuro remains the right to cancel one of the events at any given time.
- all participants will be refunded in case such a cancellation takes place.
- all rights are reserved; this document is not legally binding.

Cancellation policy

In case you need to cancel your participation, please inform us by writing an email to neuromeeting@ant-neuro.com stating the cancellation and cancellation date.

All cancellations received until December 1, 2017 will be processed free of charge. Cancellations made after December 1, as well as registrants who fail to attend, will be charged a full (regular) registration fee.

Certificate of attendance

All participants will receive a certificate of attendance.

Meeting Venue

The ANT Neuromeeting 2018 will be held at Hotel Le Panorama in the small picturesque city of Beaune – often called the ‘capital of the Burgundy region’, surrounded by historic buildings, lengthy vineyards and small cosy French restaurants known for their great wines and gastronomic cuisine.

Upon registration, delegates will receive a confirmation email **mid-November 2017** with a VIP Code for a 15% discounted booking rate at Hotel Le Panorama. The hotel will be exclusively open for the Junior Research Days and the ANT Neuromeeting (from Tuesday 16 January 2018 until Saturday 20 January 2018).

ANT Neuro has reserved a selected number of rooms specifically for this meeting’s participants. Rooms are assigned on first-come, first-served basis.

Please book your hotel room directly at the hotel’s website using the VIP code.
